THE CARRIER BOY.—Our Carrier
Boy will visit the patrons of THE
HERALD on Tuesday next, January
1st. Since the days of Gutenberg
this custom has existed. We be-
lieve for "Little Johnny" a hearty
and ungrudging reception.

FABRICATION.—Mr. Searth, man-
ager of the North West Land Com-
pany, having been shown a dispatch
which appeared in Winnipeg papers,
saying there was trouble between
himself and the directors, says the
whole story is a huge fabrication.

SURPRISE.—On Christmas morn- ing the Rev. Mr. Turner found an envelope well filled with bank notes, under his breakfast plate.

The gift of a few of his personal
friends. The happy idea origi-
nated with his host and Mr. George
Sisaw.

MAIL LINE.—Messrs. King & Co., here, and Messrs. Winder & Co., Fort McLeod, have been appointed agents for the Royal Mail Line be- tween here and McLeod. The coach starting from their stores, where passengers will book and express matter be consigned.

DANCE.—On Wednesday evening
last, on the invitation of Mr. Ed.
Francis, a very pleasant party was
held at the Royal Hotel, in which
quite a number of the young partici-
pated. Supper was served in good
style by the generous host, after
which dancing was kept up until
an early hour.

THE WISHTONE.—The "wish-
bone" wedding has become the
correct thing. The couple stand be-
neath a floral wreath. After the
ceremony the bride and groom are
given the wishbone to pull. The tug
results in a break somewhere and
whoever holds the long piece is al-
lowed from getting up to build fires
in the morning.

REAL ESTATE OFFICE.—Captain
Stewart will open in a few days
"The Denry Estate Land Office,"
for the sale of lots on this property.
It will be in charge of the local
agent, Mr. J. K. Oswald, who will
gladly furnish particulars as to sale.
In the meantime it would be well
for parties desiring to purchase, to
apply, as choice of lots will be dealt
with according to priority of applica-
tion.

COURT.—For some days past our
lawyers and their numerous clients
have been anxiously looking for the
arrival of Colonel MacLeod, who has
been expected from Edmonton. But
we understand a large number of
cases detained him longer than he
anticipated. Among others a suit
for breach of promise between two
half-breeds is to be heard. This is
said to be the first of the kind in the
territories.

REGISTERED LETTERS.—It may be
interesting to some of our readers to
know something of the amount of
registered matter that passes through
the Calgary office. Since the office
was opened, less than three months
ago, 1,003 registered letters have
been posted. The authorities, awak-
ening to the importance of the Cal-
gary office, have sent forward a full
set of books such as are supplied to
city offices also.

THANKS.—The management of the Police Hospital beg to acknowl- edge with thanks the receipt of four boxes of biscuits from Mrs. Hardisty, for the use of the patients.

CARNIVAL.—The proprietors of
the Skating Rink intend having a
carnival on Saturday evening next.
Should the weather be favorable,
it will be largely patronized.

THEATRE HALL.—Wright & Latimer's
Hall is about completed and
presents a very pleasing appearance.
A next stage has been erected. An
exceedingly handsome drop curtain
and suitable scenery are being painted
by Mr. J. Douglas White. No doubt
the spacious hall will be filled on the
first appearance of the Dramatic
Club, sometime between the 10th
and 15th January.

AWAY FROM HOME.—A gentleman
who has just returned from Ottawa
informed us that on entering the St.
James' Hotel in which place the first
paper he noticed was the Calgary
Herald and that it bore every evi-
dence of being well read. He was
constantly interrogated about Cal-
gary, and nearly every person whom
he conversed with desired to have a
copy of the Herald sent to his ad-
dress.

PERMIT WHISKY.—A plentiful
supply was brought in by the train
on Sunday afternoon, and the fortunate
parties were standing round in
eager expectation, each one fearing
that his particular keg might have
been tampered with as it has often
been found that the Calgary con-
sumers got the kegs who some one
along the line got the keg. But
from what we hear a sufficient sup-
ply has reached here to make many
sore heads.

HYMNAL.—Last Thursday morn-
ing a very happy event took place in
the suburbs of our ambitious city,
when Capt. J. Bowen, the happy couple
were married and two hearts were
made one. The handsome young bride
was Miss Thomson, sister of Mr.
Barnes of this place, and the groom,
Mr. J. L. Bowen, the efficient man-
ager of I. G. Baker's establishment
here. After partaking of a re-
freshing breakfast, the happy couple
left on the A.M. train for the east
mid valleys of old shoes and showers
of rice, followed by the best wishes
of all who are acquainted with them.

SCHOOL.

We think it is certainly high time
that some steps were taken to estab-
lish a school in Calgary. We have
a number of children, say about 30,
of school age who are growing up
without the advantage of education.
It is a well known fact if children do
not receive an education in early
years they are apt to grow up to
manhood void of the benefits accruing
from it. Some months ago,
when we urged this matter, we were
met with the reply "there is no
place to hold a public meeting," but
this is an excuse which can be put
forward no longer as Wright & Latimer
have a hall suitable for such a
purpose. We think funds to the
amount of about \$30 or \$40 per
month could be raised by subscrip-
tion, and as the N. W. Council will
supplement this amount with an
equal sum, there is no fear whatever
of sufficient funds can be raised to
supply a good school in Calgary. We
would like to hear from others who
are deeply interested in the matter.

THE TRAIN.

A train came in on Sunday afternoon bringing in a quantity of long-looked for mail matter. Mr. Banerman, our obliging P. M., immediately commenced its distribution, which occupied the whole of the night, and at the accustomed hour on Monday morning the public received their letters and papers. Unfortunately there were but two days' letters, the latest being made up at Moose Jaw on the 10th, so we are still very far behind regarding letters which must be somewhere between Winnipeg and here. Many persons left the P. O. without the expected Xmas Card.

CHRISTMAS.

It is a joyous thought that the day we commemorate in connection with the advent of our Lord, is observed in a gladder manner than any other day in the year. Wherever the name of Christ is known, from icy Greenland to the Southern Isles, the same thrill of pleasure seems to be experienced, and as if from afar, the heart repeats "Peace on earth, good will to men."

Many of our readers will have enjoyed their first Christmas in Calgary or vicinity. How numerous and varied will have been the reminiscences which have thronged upon the minds of those who have spent this happy season amid other scenes. Yet new and crude as life is in this far western land, still in many respects we are a highly favored people.

In the morning service was held in the Methodist Church, Rev. Mr. Robertson, Presbyterian, officiating. The Rev. gentleman's remarks were listened to with profound attention by the audience, and was in every particular an excellent Christmas discourse.

A large number of young people spent a very pleasant afternoon and evening at the rink.

The day passed very quietly and orderly. A few cases of drunkenness were noticeable on the evening previous, but so far as we have observed nothing very troublesome resulted therefrom.

THEFTS.

For some time past numerous small thefts have been committed in and about town, but of late they have been assuming a character which promises anything but security to the general public.

On Saturday afternoon a buffalo coat was carried off from the Hudson Bay store, but we will in all probability hear more about this in the Police Court before long. On the same evening some one broke into the Royal Hotel and got away with about \$50 worth of cigars, but, fearing detection and consequent results, the goods were sent back. A short time ago Mr. May lost a valuable robe from his premises, and so far as we can learn he has been unable to trace the thief. I. G. Baker for some time past has been suffering from such depredations, caught an Indian in the act of carrying off a pound of tea, and to put a stop to all such performances lodged complaint and the Indian was sentenced to one month's imprisonment in the guard room at hard labor. The great pity is that the other light-fingered gentry (who are not Indians) cannot be brought out and dealt with in a similar manner.

MILKED STAGE.—The stage will leave the Post Office to-morrow (Thursday) at 7 a.m. This is the first trip under the new management.

Montreal is making a test of underground telegraph wires.

Bishop and Mrs. Baldwin were tendered a public reception at the Western University at London.

ROYAL MAIL.

We draw attention to the advertisement of the Royal Mail, Passenger and Express Line between Calgary and Fort McLeod. This line is in good hands, and we understand that the proprietors have already made arrangements for the placing on the route in the early spring comfortable covered four horse passenger coaches. Improvements at every stopping place along the line will be made for the accommodation of travellers. The running will be changed to bi-weekly in the spring.

AN M.P.'S VISIT.

John White, Esq., M.P., for North Hastings, who has been taking a look over the North West, previous to the opening of the House, reached town on Friday last, and has been posting himself on the mining laws, and in his interviews with some of the old miners, has received many valuable suggestions which he will weave into practical shape on the floor of the House. It would have been well for us if all the members of the Ottawa House had visited the Territories, and thereby made themselves capable of legislating intelligently on the requirements of this country.

PATRICK O'DONNELL.

Patrick O'Donnell, the slayer of Carey, the informer, expiated his crime upon the gallows inside Newgate jail on the 17th instant. The Saturday previous, O'Donnell practically admitted that he was an invincible. The admission was made to his brother. He told his brother he would make the following statement on the scaffold: "I killed Jas. Carey, the informer. I am not sorry for killing him, and I never have been; not only that, but all London's wealth would not buy me or induce me to give any one way." While standing on the drop he looked around unconcernedly, but made no statement.

DRAMATIC CLUB.

At a meeting held at the Calgary House on Friday night the 31st inst., by a number of residents, it was thought advisable to organize a Dramatic and Musical Club, with a view to giving entertainments during the winter months.

W. Pocklington, Esq., was called to the chair, when, after placing before the gentlemen present the reason for calling them together, the following officers were elected: President, Capt. Stewart; Vice, W. Pocklington; Hon. Sec.-Treas., W. Rivers; Stage manager, T. H. Danne; Acting do, W. Pocklington. Committee—Sergt. Grogan, Messrs. Fields, Player, Wilson, Costigan, Ennis, Barrie, Dow, Connor.

It was resolved that the first entertainment would be given in Messrs. Wright & Latimer's hall, at as early a date as possible, composed of two farces, interspersed with vocal and instrumental music.

The farces were rehearsed on Monday evening last.

Any person desirous of joining the Club, can do so by applying to the Hon. Secretary, who will place their names before the Committee for election.

Rev. Dr. Cochrane delighted a Brantford audience with "His Trip Across the Rockies."

George Barry, organist in a prominent Montreal church, who was about to marry a respectable and wealthy young lady, turns out to be a married man, whose deserted wife is in New York.

Mr. E. Burch, a farmer residing near Brantford, has received notice that he was legal heir to the great Frie Farm property in Devonshire, England. This is a large estate, valued at \$500,000.

Mr. Stuen left for Owen Sound on Thursday.

Mr. A. Friend is enjoying the Christmas holidays at Ottawa.

Chief Factor Hardisty is at Edmonton, where he will remain until after the New Year's.

Sergt.-Major Lake went East on Thursday morning for Mr. Higgins, in charge of some men sent to that post.

Mr. Parlow has been transferred from Hudson Bay Store, Edmonton, to the establishment in Calgary.

Mr. Barker, of Fort MacLeod, is in town, receiving a consignment of furniture. He intends commencing business at that point.

At the Royal Hotel—L. Dubois, D. O'Leary, C. A. Hutchinson, Toronto; W. E. Russell, Regina; W. Smith, Winnipeg; R. J. Nichols, Medicine Hat; T. W. Chalmers, Strangers Ranch; Samuel Neilson, Greenfold; F. G. Christie, J. Wilmott, W. Finlay, Rocky Mountains; W. S. Hooley, Red Deer; A. K. Nutting, Waterloo, Quebec.

At the Calgary area—S. A. Scott, Silver City; Mr. Barker, F. B. Patrick, J. McMahon, Ootekes River; J. Chalmers, D.L.S., and party of twelve men; J. Pender, P. McCarter, Fort McLeod; A. J. Whitney, D. Nelson, Morley; J. S. Blagley, W. Findlay, Ricking Horse Pass; Rev. Mr. Sims, Blackfoot Crossing; T. Lynch, High River.

The many friends of Mr. Duncan Campbell be glad to learn that he intends remaining in the country, having gone into cattle ranching with Captain Vaughan Hughes in the neighborhood of Fort McLeod. He will assume the management of the ranch, which will be stocked immediately. We congratulate Captain Hughes on having made such a good choice in a ranch partner.

Sheriff Chaplain arrived on Friday evening from Regina, after encountering untold hardships and dangers along the line in consequence of the strike. He saw coaches nearly telescoped, cars with their drawheads and bumpers completely smashed, frozen engines, train loads of passengers without fire or provision, &c. Mr. Chaplain will return to Ottawa almost immediately. While here he gathered information regarding the wants of the settlers to lay before the Ministers. The necessity for better mining regulations was particularly brought before him, and he will put the case in its proper light to the Government. On his return he will take up his residence in Calgary.
